

Equity Plan 2026

Collaboration and Community Engagement

Ongoing commitment towards participating and collaborating in various region-wide community tables, influencing system change and accountability.

Training and Resource Development

Strengthen Equity training and resource development processes internally within the organization and in external, community-facing opportunities.

Equity Centered – Employee Engagement and Belonging

Facilitate and support Equity Champions and Culture Committee to review and implement strategy on recognition of significant events/celebrations.

Facilitate the launch of organizational Employee Resource Groups/Affinity groups.

Complete a multi-year Accessibility Plan.

Equity and Trauma Violence Informed Practice Implementation

Facilitate a phased learning and implementation plan of Trauma Violence Informed Practice and principles across the organization alongside Camino leadership and department Equity Champions.
